

BRYSTON

A Lifetime of Music

MEMO: To All Bryston Customers

SUBJECT: Inside Track Ratings

DATE: December 21st, 2009

I just received the latest issue of 'Inside Track' (leading independent audio survey magazine) today and Bryston in a North American survey has achieved the number one position for Home Audio Electronics in:

"PRODUCT PERFORMANCE"

We are extremely pleased to hear that so many people feel our products have attained the highest possible audio performance level available today.

Bryston also maintained our number one position in the:

"PRODUCT RELIABILITY" category, which we have held for over a decade now!

Nice Christmas present!
