MEMO: To All Briston Customers

SUBJECT: Toronto AudioFest 2018 – Briston Six-Moons.com

October 2018

Briston held court in a large room, curiously accessible through a dining area.

Mr. Tanner had an interesting trick up his sleeve with a just under 9-foot tall line source array comprised of two Briston Model T-REX Active speakers stacked head to head.

At its price point, it behaved flagship and delivered the sonic benefits with a vengeance with detail, warmth, scale and soundstaging to rival the price-no-object competition.
